Course Requirements

This course is a combination of lecture, discussion and practicum. Class lectures will primarily familiarize the students with general principles, pertinent literature and resources. Discussions will review the assigned readings. The students will prepare and preside at a Eucharistic Celebration (digitally-recorded), and prepare as well as execute a major liturgical rite (digitally-recorded) with evaluation by the instructor and by their peers.

General Academic Information

There are no academic papers for this course. The learning goals will be assessed through the practica which will be evaluated by the teacher and students as well as the discussions and two tests on the contents of the ritual books which will show the students' knowledge of the *praenotanda*, rubrics, and contents of the various rites.

Late Submission Policy

Video projects will not be accepted late as the course is built around them. A student who fails to hand in their videos will receive a zero for that assignment.

Course Attendance

No credit will be given for a course if the student has been absent, for any reason whatever, from one-third or more of the lectures and/or seminars scheduled for the term. Likewise, no credit will be given if term assignments or other assignments are or remain incomplete.

Leave of Absence and Policy for Incompletes

Extensions to an incomplete grade may be granted in extenuating circumstances, but may not exceed 16 weeks following the end of the course. Students who fail to complete course work by the agreed deadline will have a grade assigned which is based on work completed.

Academic Integrity

Acts of academic dishonesty (plagiarism, cheating, etc.) are subject to an appropriate penalty. The grade "F" may be assigned to a student guilty of such acts by the professor of the course in which the infraction occurred. A second offense against academic integrity renders the student liable to automatic dismissal from NTC. Further details are available in the Student Handbook in the Academic Misconduct Policy.

Academic Grievances

Students may appeal grades received; the procedure is outlined in the Student Handbook in the Grade Appeal Policy. For other grievances, students will refer to the Student Grievances Policy also outlined in the Student Handbook.

NOTE: The GPA is computed on the basis of cumulative grade point (letter) values, not percentage values. All courses are included in this calculation except those exceeding degree requirements and/or received as transfer credits from other recognized institutions.
